Over the years Doug and I received many notes from Frank (Sully) and I was just looking at one of Doug's files of the Boys Club. I still haven't emptied Doug's desk. Sully, I found the enclosed in an award from the

Boys Club. Sully had pasted the clipping with his note. Doug saved it.

I know he and Doug loved jokes. I am sending some Reader's Digest jokes for a smile. Will send small donation to the Boys and Girls Club in Frank (Sully's) Memory.

Sincerely

Marie Eier
