Tim Gleason & Dave Root

Yes, the Health Exchanges are now open and you may qualify for a premium subsidy (tax credits) and cost sharing (lowered deductibles and coinsurance) for an ACA Exchange medical plan. We can help you find out and quote all exchange plans for you to find a plan and premium best for you.

ACA Health Exchange Annual Open Enrollment Period is from Nov. 1 through Dec. 15, 2018. *Your Health Idaho* and *WA HealthPlanFinder* Exchanges are now open! Individuals, families, small employers, employees, dependents, college students - anyone who relies on individual medical insurance coverage - must apply during open enrollment unless they are renewing existing coverage at a different time.
